February 8, 2021

NOTES

Participates: Bernadette Titterington, Wayne PL, Heather Manley Caldwell, Ringwood PL, Gloria Abero, Clifton PL, Luca Manna, PALS Plus

OVERDRIVE Banners/Shelves

Luca will look into Overdrive (market place) and look for missing shelf. Shelf is not showing on Libby app. The committee will put together a few "Black Lives Matter movement" shelves. These BLM shelves will be throughout the year, not just in February for Black History Month.

Julianna (Clifton PL) graciously offered to work a children's on Black History Month shelf.

Heather/Luca will see if magazines can be added to the shelves (along with books/audio books). Can this be done through Overdrive market place? Heather will create an adult magazine shelf & Bernadette/Gloria will create a children's magazine shelf, if possible. In addition, Advantage Overdrive libraries might be able to create their own shelves.
