

# PALS Plus

PALS Plus libraries provide access to eBooks, downloadable audiobooks, streaming movies, magazines, music, comics and more – 24 hours a day, 7 days a week.

To get started, **download these free apps** from your device's App Store and use your PALS Plus library card to log in.

HooplaDigital is a collection of thousands of eBooks, downloadable audiobooks, streaming movies and TV, music, comics & graphic novels.

Use Libby to access popular eBooks and downloadable audiobooks. You can also read thousands of popular digital magazines in the Libby app, including *Us Weekly*, *Cook's Illustrated*, *The Economist*, *Prevention*, *The New Yorker*, *The Week*, *Highlights for Children* & *National Geographic Kids*.

**Kindle Fire users:** The Libby app isn't available in Amazon's App store, so use your tablet's browser to navigate to [www.libbyapp.com](http://www.libbyapp.com).

**Kindle eReader users:** see reverse for how to borrow Libby eBooks in Kindle format.

**Need help getting started? Need to update your library card? Contact your PALS Plus library!** (see our libraries at [members.palsplus.org](http://members.palsplus.org))
